The screenshot displays the SAP Fiori Launchpad Admin Group interface. At the top, there is a navigation bar with the SAP logo, a 'Home' dropdown, and several menu items: '< Event Handling', 'Message Monitoring', 'Advanced Compliance Reporting', 'Query Browser', 'Manager Approvals - My Inbox', and 'Warehouse Processing (EWM)'. On the right side of the navigation bar, there is an 'ActivePresenter' watermark and icons for search, notifications, and user profile.

The main content area is divided into two sections. The top section contains seven app tiles: 'Warehouse Monitor', 'Create Inbound Deliveries', 'Run Outbound Process Deliveries', 'Shipping Cockpit Planning', 'Shipping Cockpit Execution', 'Count Physical Inventory', and 'Warehouse KPIs Operations'. The 'Shipping Cockpit Planning' tile is highlighted with a blue border, and a blue callout box with the text 'Click Shipping Cockpit Planning' points to it. The bottom section is titled 'SAP Fiori Launchpad Admin Group' and contains ten app tiles: 'Troubleshooting Note', 'Fiori Launchpad Intent Analysis', 'Fiori Launchpad Designer', 'Fiori Launchpad Checks', 'Fiori System Alias Check', 'PFCG Role maintenance', 'Application Log', 'Fiori Launchpad Designer', 'Backend Catalog Maintenance', and 'Client Specific'.

At the bottom of the screenshot, there is a dark gray banner with the text: 'On the EWM Fiori Launchpad, select app Shipping Cockpit Planning'. Below this banner, a URL is visible: <https://msewdci.schippers.cloud:8100/sap/bc/ui2/flp?appState=lean#EWMTransportationUnit-plan/sap-ui-tech-hint=WDA>.
