Click Pack Outbound Deliveries

The screenshot displays the SAP Fiori Launchpad interface. At the top, there is a navigation bar with the SAP logo, a 'Home' dropdown, and an 'ActivePresenter' watermark. Below the navigation bar, a horizontal menu lists various SAP functions: My Home, Enterprise Search, Output Control, Business Event Handling, Message Monitoring, Advanced Compliance Reporting, Query Browser, and Manager. The main area is a grid of 21 app tiles. A blue callout bubble points to the 'Pack Outbound Deliveries' tile, which is highlighted with a blue border. The callout bubble contains the text 'Click Pack Outbound Deliveries'. The URL at the bottom of the page is <https://mseedci.schippers.cloud:8100/sap/bc/ui2/flip?appState=lean#EWMWorkCenter-packInternal?PackMode=2>. A dark grey banner at the bottom right of the page contains the text 'Open the Pack Outbound Deliveries app'.

The screenshot shows the SAP 'Pack Outbound Deliveries' interface. The top header bar includes the SAP logo, a back arrow, and the title 'Pack Outbound Deliveries'. On the right side of the header, there is an 'ActivePresenter' watermark and icons for search, notifications, and user profile. The main content area contains three input fields: 'Work Center:' with the value 'VERP', 'Storage Bin:' with the value 'VERP-01', and 'Packing Mode:' with a dropdown menu showing 'Advanced'. Below these fields is a blue 'Start Packing' button. At the bottom of the screen, a dark grey banner displays the text 'Login to Work Center VERP, Packing Mode Advanced'.

Click the Shipping Handling Unit: text box

The screenshot shows the SAP 'Pack Outbound Deliveries' interface. A modal dialog titled 'Create Shipping Handling Unit' is open in the center. Inside the dialog, there is a 'Packaging Material' text box with a dropdown menu open, showing options: 'D - Box', 'HP - Half pallet', 'COLLECTIVE_HU - Collective HU', 'EP - Euro Pallet', 'P - Pallet', and 'BP - Industrial Pallet'. A blue callout bubble points to the 'D - Box' option with the text 'Click the Shipping Handling Unit: text box'. The background interface includes fields for 'Reference Number', 'Product/Access Code', 'Existing Shipping Handling Unit', 'Product Description', 'Outbound Delivery Order', 'Customer', 'Handling Instructions', 'Net Weight', and 'Gross Weight'. There are buttons for 'Create', 'Partially Pack', 'Pack All', 'Unpack', 'Close', and 'Leave'. At the bottom, a dark bar contains the text 'Select Packaging Material and create Shipping-HU' and a 'Leave' button. An 'ActivePresenter' watermark is visible in the top right corner.
