The screenshot shows the SAP system interface. At the top, there is a menu bar with 'System' and 'Help'. Below it is a toolbar with various icons, including a green checkmark, a dropdown menu, and navigation buttons. A blue box with the text 'ActivePresenter' is overlaid on the toolbar. The main area of the screen displays the 'SAP' logo and a form with the following fields:

SBin	VERP-01
SrcHU	800000765
DestHU	8000007

A blue callout box with the text 'Left click here' points to the 'SBin' field. At the bottom of the screen, there is a dark gray bar with the text 'Scan the source data'.

Press Ctrl+C

Double click here

The screenshot shows the SAP ActivePresenter interface. At the top, there is a menu bar with 'System' and 'Help'. Below it is a toolbar with various icons, including a green checkmark, a dropdown menu, and navigation controls. A blue box labeled 'ActivePresenter' is overlaid on the toolbar. The main area is titled 'SAP' and contains a form with the following fields:

SBin	VERP-01
SrcHU	800000765
DestHU	800000765

A blue box labeled 'Left click here' points to the 'SBin' field. At the bottom, there is a row of buttons: 'F1 Detail', 'F2 Queri', 'F3 HUDet', 'F4 WTLst', and a '>' button. A dark gray bar at the very bottom contains the text 'Scan the source data'.

Press Ctrl+V

The screenshot shows the SAP system interface with the following elements:

- Menu Bar:** System Help
- Status Bar:** A green checkmark icon, a dropdown menu, and several navigation icons (back, forward, etc.).
- Header:** SAP
- Data Fields:**
 - SBin: VERP-01
 - SrceHU: 800000765
 - DestHU: 800000765
- Footer:** F1 Detail F2 Queri F3 HUDet F4 WTLst >

An **ActivePresenter** watermark is visible in the top right corner. A blue callout box with the text **Press Ctrl+V** points to a small rectangular area in the SBin field.

Press Enter

The screenshot shows the SAP S/4HANA interface. At the top, there is a menu bar with 'System' and 'Help'. Below it is a toolbar with various icons, including a green checkmark, a dropdown menu, and navigation icons. A blue 'ActivePresenter' watermark is visible in the top right corner. The main area displays the 'SAP' logo and a form with the following fields:

SBin	VERP-01
SrceHU	800000765
DestHU	800000765

The 'SBin' field is highlighted with a green border, and a blue callout box with the text 'Press Enter' points to it. At the bottom of the form, there are buttons for 'F1 Detail', 'F2 Queri', 'F3 HUDet', 'F4 WTLst', and a '>' button. A dark grey banner at the bottom of the screen contains the text 'Scan the source data'.

Left click here

The screenshot shows the SAP ActivePresenter interface. At the top, there is a menu bar with 'System' and 'Help'. Below it is a toolbar with various icons, including a green checkmark, a dropdown menu, and navigation arrows. The main area is titled 'SAP' and contains three input fields: 'SBin' with the value 'VERP-01', 'SrcHU' with the value '800000765', and 'DestHU' with the value '800000765'. A blue callout box with the text 'Left click here' points to the 'SrcHU' field. At the bottom, there is a row of buttons: 'F1 Detail', 'F2 Queri', 'F3 HUDet', 'F4 WTLst', and a right arrow button. A dark grey banner at the very bottom contains the text 'Scan the source data'.
