Left click here

The screenshot shows the SAP Easy Access menu interface. At the top, there is a menu bar with 'Menu', 'Edit', 'Favorites', 'Extras', 'System', and 'Help'. Below this is a toolbar with various icons. A blue callout box with the text 'Left click here' points to a search or filter input field in the toolbar. Another blue callout box with the text 'Left click here' points to the 'Favorites' folder in the left-hand menu tree. The menu tree is expanded, showing a hierarchy of folders and transactions. The transaction '/SCWM/VASEXEC - Create Confirmation for VAS' is highlighted with a red dashed box. A grey banner at the bottom of the screen contains the text 'Navigate to the VAS Confirmation transaction'. In the top right corner, there is a blue button labeled 'ActivePresenter'. The bottom right corner shows a status bar with the text '» | EWD (2) 300 | mswdci | INS |' and some icons.

Navigate to the VAS Confirmation transaction

» | EWD (2) 300 | mswdci | INS |

Type /n/scwm/vasexec

The screenshot displays the SAP Fiori Launchpad interface. At the top, there is a menu bar with 'Menu', 'Edit', 'Favorites', 'Extras', 'System', and 'Help'. Below this is a toolbar with various icons. A blue callout box points to the search bar, containing the text 'Type /n/scwm/vasexec'. The main area shows a navigation tree on the left. The tree is expanded to show the 'SCM Extended Warehouse Management' section, which includes 'Monitoring', 'Delivery Processing', 'Work Scheduling', and 'Execution'. Under 'Execution', the transaction '/SCWM/VASEXEC - Create Confirmation for VAS' is highlighted with a red dashed box. A dark grey banner at the bottom of the screen contains the text 'Navigate to the VAS Confirmation transaction'. In the top right corner, there is a blue button labeled 'ActivePresenter'. The bottom right corner shows the status bar with '» | EWD (2) 300 | msewdci | INS |' and a small SAP logo.

Navigate to the VAS Confirmation transaction

» | EWD (2) 300 | msewdci | INS |

Left click here

The screenshot displays the SAP Fiori Launchpad interface. At the top, there is a menu bar with options: Menu, Edit, Favorites, Extras, System, and Help. Below this is a toolbar with various icons for navigation and actions. A blue callout box with the text "Left click here" points to the transaction code field, which contains the code "/n/scwm/vasexec".

The main area shows a hierarchical navigation menu on the left. The menu is organized into folders and sub-folders. The "SCM Extended Warehouse Management" folder is expanded, showing sub-folders like "Monitoring", "Delivery Processing", "Work Scheduling", and "Execution". The "Execution" folder is further expanded, listing several transactions. The transaction "/SCWM/VASEXEC - Create Confirmation for VAS" is highlighted with a blue background.

At the bottom of the screen, a dark gray bar contains the text "Navigate to the VAS Confirmation transaction".

Left click here

The screenshot shows the SAP Work Center interface for 'Verpackungszone (VAS)'. The left pane displays a tree structure under 'Total Section' with 'VERP-01' expanded, showing two 'Mixermotor' items (800000763 and 800000764) each with a 'CRATE' (8804283) and a quantity of '1 PC'. The right pane shows the 'Create HU' tab with a form containing the following fields:

HU	
Pack. Material	
HU/Storage Bin	VERP-01
Cons. Grp	
Number of HUs	1

An annotation 'Left click here' with a blue arrow points to the 'HU/Storage Bin' field. An 'Execute' button is located at the bottom right of the form. The bottom status bar shows 'Create a new HU, packaging material EP' and system information: '» | EWD (2) 300 | msewdci | INS |'.

## Type EP

The screenshot displays the SAP Work Center interface for 'Verpackungszone (VAS)'. The 'Create HU' tab is active, showing a form for creating a new Handling Unit (HU). A blue callout box points to the 'Pack. Material' field with the text 'Type EP'. The 'HU/Storage Bin' field contains the value 'VERP...'. The 'Number of HUs' is set to 1. An 'Execute' button is visible at the bottom right of the form.

**Work Center Verpackungszone (VAS)**

**Section/Bin/HU/Item**
